

**Sports Currently Offered by City of Tempe Adult Sports:**

- Baseball
- Flag Football
- Soccer 6v6
- Basketball
- Soccer 11v11
- Softball

**How to register a team for a league:**

- Online
  - You may register online through the ActiveNet registration system. You can access the online system by visiting <https://apm.activecommunities.com/tempeopportunities> or go to our website at [www.tempe.gov/adultsports](http://www.tempe.gov/adultsports) and follow the ActiveNet link we have on our main page.
  - Enter the registration code in the search bar to get the specific league/day you are looking for. You can also do a general search for the sport by typing in the sport.
  - Don't have an account? It's recommended that you create an ActiveNet account in advance to save you time, otherwise you'll need to create one as part of the registration process.
- In Person
  - The Recreation Office is closed. Registration can be taken at one of the City of Tempe Community Centers. Please call the facility prior to arrival to ensure the facility is open and can accept registration.
- Each team will have an identified Manager and this is the account to whom the team will be registered.
  - To help with league communication we also ask for basic contact information for an Assistant Manager, but it's not required.

**Registration fees, how to pay, refunds and unpaid balances:**

- Accepted forms of payment:
  - Credit Cards (Visa, MasterCard, Discover, American Express).
  - Cashier's Check, Money Order, Electronic Check, Company Check (needs to be made out to "City of Tempe"). No personal checks will be accepted.
- Full registration payment is due at the time of registration.
- Due to the limited space in our leagues, once a team has registered and paid refunds will not be provided after the registration close date unless the league has been cancelled.
- Refer to the specific sport for the registration fee. Each sport has a different fee.
- Registration is done by team, not individual, so when registering we can only accept full payment, not partial.
- Account/Teams/Managers with unpaid balances will not be registered until their prior balance is paid in full.
  - Due to how quickly leagues can fill it is highly recommended that unpaid balances are taken care of before the day you try to register for a new league.

**Priority registration versus open registration**

- Many of our leagues offer a priority registration period to returning teams who participated in the previous season before we open the remaining spots to all interested teams.
- If a team plays a season and then skips the next season, they will be considered a new team for the next league registration period and will only be eligible to register when the open registration period comes available.
- No exceptions will be made for a team that forgets to register during their priority window. Once the open registration window opens all teams are able to register.
- Registration windows can vary from sport to sport. Please refer to each specific sport to see when registration takes place.

**Free agents/individual players**

- We have many individuals who want to get involved but aren't able to field a full team. For any individuals looking to join an already existing team we offer a "Free Agent" form on our website. Fill out the form and then we will then send your contact information out to teams who are looking to pick up individual players. Please note that we have no direct oversight or responsibility when it comes to connecting teams and free agents.
